PLANT GROWERS AUSTRALIA PTY. LTD.

Freight Policy – May 2020

Melbourne Metropolitan Region

For customers in the Melbourne Metropolitan region we service with our trucks and orders over 60 plants are free of charge. The minimum order quantity is 48 plants but in this case a charge of \$40 will be incurred up to and including 59 plant orders.

Please note, although we endeavour to deliver these orders with our own trucks stock may still be delivered via one of our preferred carriers and in this case tray rates will be applied.

All Other Areas

Freight will be charged at rate that directly reflects the charges we have negotiated with each carrier. These charges will predominately be charged at a rate per tray which will be determined by the area in which you are located and the carrier that will be delivering your stock.

- **Please contact our office for your current carrier and their applicable freight rate.**
- **If you require Pick Up or wish to organize alternate freight, please contact our office for discussion and approval with the dispatch department.**
